

UNIVERSITY OF SRI JAYEWARDENEPURA

FACULTY OF GRADUATE STUDIES

Applications are invited from interested candidates for the 2022/2023 intake of

MSc in Polymer Science and Technology

(Offered through the Department of Polymer Science, Faculty of Applied Sciences)

The MSc in Polymer Science and Technology study program (SLQF 10) is enriched with a strong foundation of theoretical knowledge of nearly 550+ hours of course work and 120+ hours of practical classes, workshops, seminars and 3000+ notional hours of research component. The program has been aimed for training much needed polymer scientists and polymer technologists for rubber and plastic based local/international industries.

Entry Requirements:

- B.Sc. Degree with Polymer Science and Technology, Material Science, Chemistry, Chemical Engineering or an equivalent qualification from a recognized higher education institution
 - Special Enrollment for a limited number of candidates with NDT Certificate and working experience in rubber and plastics sector
- ❖ The candidates will be shortlisted and selection will be done based on an interview

Course Fee: Rs. 265,000/ =
(Payment plans available)

Duration: Two (02) years

Commencement: December 2021

Medium: English

Venue:

Faculty of Applied Sciences,
University of Sri Jayewardenepura

Lectures:

Weekends
(Saturday 9 am — 4 pm,
Sunday 9 am — 4 pm)

Applications: The online application is available at

https://applyfgs.sjp.ac.lk/online_applicationmaster

- ❖ Please send the downloaded application to sachintha@sjp.ac.lk with scanned copies of following documents.
(Degree Certificate, Transcript, Birth Certificate, Passport Size Colour Photograph, Bank Slip)

Application fee: Rs. 1000.00

Pay your application fee of Rs. 1000.00 to University account number **053010005675** through any **People's Bank** branch and attach a proof of your payment to the completed application.

Application Closing Date 22nd October 2021
