

UNIVERSITY OF COLOMBO VACANCIES

FACILITY ENGINEER (ON CONTRACT)

Walk-in interviews will be held on 22nd April 2022 from 9.00 a.m. to 11.00 a.m. at the Board Room, College House, University of Colombo, 94, Cumaratunga Munidasa Mawatha, Colombo 03.

The University of Colombo is in the process of taking over the UCFM Tower from the contractor. The UCFM Tower is a 17 storey building located in Colombo 8. It consists of a conference facility with 3 large auditoria, a complex of meeting rooms, a food court, academic facilities, research and clinical laboratories, clinical service centres, and a roof top restaurant and entertainment area. The building is serviced by 5 high speed elevators. The University of Colombo is in the process of establishing an Engineering Department for the operation and maintenance of the building.

The Facility Engineer would be the Head of the Engineering Department and he/she would be entrusted with the task of establishing and leading the Engineering Department Team.

The selected candidate should possess a B.Sc. Electrical/Mechanical/Civil Engineering degree from a recognized University/HEI or the National Diploma in Technology (NDT) with at least 10 years' experience including experience in a similar role and age not more than 60 years on the date of the interview.

The salary is negotiable/depending on experience and qualifications.

The appointment will be on contract basis for a period of one year. The contract is renewable subject to performance and the requirements of the University.

Applicants who are interested should submit an advance copy of their curriculum vitae along with the names and contact details of two non-related referees to recruit@ace.cmb.ac.lk within fourteen (14) days of this advertisement and present themselves to a walk in interview on 22nd April 2022 from 9.00 a.m. to 11.00 a.m. at the Board Room, College House, University of Colombo, 94, Cumaratunga Munidasa Mawatha, Colombo 03.

Registrar, University of Colombo, 94, Cumaratunga Munidasa Mawatha, Colombo 3.
