WE ARE HIRING

ACADEMIC VACANCIES
FACULTY OF COMPUTING - SLIIT

JOIN OUR TEAM

The Faculty of Computing of Sri Lanka Institute of Information Technology is the home of more than 150 academic staff and an ever-growing cohort of undergraduate and postgraduate students. The faculty offers a broad range of undergraduate and postgraduate programs and encourages a rich research culture. In addition to bachelor's and course-work based master's programs, the Faculty of Computing offers MPhil and PhD degree programs as well.

We are inviting top-rated applicants for academic positions in the following areas:

- Information Technology
- Computer Science
- Data Science
- Physical Science with a Computing Major
- Information Systems
- Computer Networks
- Cyber Security
- Machine Learning
- Interactive Media
- Information Management

SENIOR LECTURER (HIGHER GRADE) / SENIOR LECTURER

A recognized undergraduate honours degree in one of the above-mentioned areas and a post-graduate degree [a doctoral degree for Senior Lecturer (Higher Grade) and a 2-year research-based master's degree for Senior Lecturer] in a relevant discipline are required. Applicants must have a minimum of 6 years work experience after receiving the undergraduate degree.

LECTURER (TENURE – TRACK) / ASSISTANT LECTURER (TEMPORARY)

A 1st or 2nd class honors bachelor's degree in one of the areas above mentioned or a pass in bachelor's degree with one-year master's degree is required. Applicants for Lecturer (Tenure - Track) must have a minimum of one year work experience after the undergraduate degree.

SLIIT offers a competitive salary and other benefits commensurate with qualifications and experience. Interested candidates should send their CVs to academiccareers@sliit.lk clearly indicating 'Academic Staff - FoC' in the title of the email.
