- Hands-on experience in server implementation, managing, and maintenance.
- Hands-on experience in Storage, hardware implementation, provisioning, managing and maintenance. Ex: Dell, Hitachi, Lenovo, HP.
- Hands-on experience in performing regular backup operations (Veeam / Veritas) and implement appropriate processes for data protection, disaster recovery, and failover procedures
- Implement and manage Network systems which involve integration of technologies from global vendors. (Global leading products)
- Possess excellent knowledge in LAN/ WAN/ Wi-Fi /DC networks / TCP/IP / DNS / IIS / VPN / IP-SEC / Cyber Security, Network Virtualization.
- Possess experience in monitoring systems performance & overall IT systems operations.
- Possess experience in managing data-center operations.
- Ability to handle stressful situations and heavy workloads.
- Ability to stay on-call during off-business hours & holidays.
- Ability to work independently with minimum supervision in a team environment.
- Must be approachable, a team player with a strong desire to continue learning and expanding their experience in a highly evolving technology focused environment.

#### QUALIFICATIONS

- Bachelor's degree in Computer Science or Information Technology discipline, or equivalent qualification.
- Possessing professional certificates in the above mentioned technologies would be an added advantage.

#### NON-TECHNICAL COMPETENCY

- Good Communication and Time Management Skills
- Ability to work under pressure in a dynamic environment.

#### REMUNERATION

- An attractive remuneration package in line with the market and commensurate with the skills, qualifications and experience of the selected candidate can be negotiated.

#### SELECTION

- Selection will be through interviews. The Bureau reserves the right to call for only the short listed applicants for the interviews.

Interested individuals are requested to forward a comprehensive Curriculum Vitae together with copies of certificates and names, address & contact details of two non- related referees, under registered cover mark as "Post of Systems Administrator" to reach the following address or email to [vacancy@crib.lk](mailto:vacancy@crib.lk) with the subject line of "Post of Systems Administrator" within 10 days of this advertisement.

Any form of canvassing will disqualify the candidate for consideration.
