

AMERICAN EMBASSY, COLOMBO

Electrician (Female/Male)

We encourage both women and men to apply for this position. The United States Embassy seeks a diverse workforce with equal opportunity for all people without regard to race, color, religion, sex, national origin, age, disability, political affiliation, marital status, or sexual orientation. Your humanity and kindness are of paramount importance. Your ability to do your job better than anyone in Sri Lanka is what we are concerned with. Not your sexual, religious, and political preferences.

The incumbent reports directly to the Building Engineering Supervisor in the Facility Management office. The position holder will be employed as an Electrical Technician to accomplish skilled maintenance and repair work at the journeyman electrician level, to International Building Code standards, throughout all facilities on the Embassy to include office buildings, grounds, out buildings, ancillary structures, and residential owned/leased properties.

The work schedule for this position is: Full time – 40 hours per week.

The monthly gross salary for this position will be USD \$ 464.16

[LE Staff salaries are denominated in U.S. Dollars and will be paid in Sri Lankan Rupee at the going rate of exchange each pay period. The official exchange rate for March 13, 2023, is 1 USD = 325.00 LKR. This is a temporary revision and should not be assumed as an acquired right]
