

## MANAGER FINANCE AND BUSINESS PLANNING

**Chevron Lubricants Lanka PLC, the market leader in the local lubricant industry, an employer of choice and part of the global energy giant - Chevron Corporation, USA., has the following vacancy in its Finance Function.**

### **The Job Role:**

This position will report directly to the Director / Chief Financial Officer. The position will be responsible for management and financial reporting, business planning / budgeting, financial forecasting / scenario planning, cash flow forecasting and other assigned finance tasks. A reasonable degree of exposure in handling taxation would be considered favourably. The responsibilities would also include performing a lead role in liaison with external and internal auditors.

The right candidate should have adequate experience to confidently perform the scope of work outlined, possess robust accounting and financial reporting exposure, sound business and financial acumen, backed by strong analytical skills with an eye for detail and the ability to meet strict timelines consistently. Leadership and managerial skills to work seamlessly within finance, with cross functional teams and relevant business partners is considered pivotal.

### **Candidate Profile:**

This is an instrumental position in finance which requires a dynamic personality. The ideal candidate should possess the following professional / academic qualifications, practical experience and skills.

- A Professional Membership from either CA Sri Lanka or CIMA (UK) or ACCA (UK) is mandatory.
- A Bachelor's degree preferably in either business administration / management / commerce and / or an MBA from a reputed University would be an added advantage.
- A minimum of 5 years of relevant work experience from a reputed organization/s is mandatory, preferably in a similar capacity.
- Hands on experience working in an ERP enabled business environment preferably SAP and proficiency in MS Office packages (including strong / advanced MS Excel skills).
- Excellent communication, interpersonal and team working skills for cross functional collaboration.

### **What's in it for you:**

**The position entails a competitive remuneration package, including attractive bonus schemes. As a key member of the finance team, the selected candidate would also gain exposure to working in a CSE listed company and has the opportunity to function in a truly multinational work environment.**

If you meet the above criteria, please visit the careers page of our website at [www.chevron.lk](http://www.chevron.lk) and submit your resume via the online application form within 7 days of this advertisement. Please clearly indicate the position applied for in the relevant section of the online application form.
